

**National Hypnotherapy Society's training provider Terms and Conditions.**

1. The training provider agrees to abide by the Society's Code of Ethics and Complaints Procedure, details of which are available online or through the Society's office.
2. The training provider accepts the provisions of the Society's Constitution.
3. The training provider confirms that they either own, or have permission to use, all content contained within and/or issued as part of the recognised course.
4. The training provider agrees to make it clear in all course materials and course promotions (including their website) that the completion of an HS Quality Checked course alone is not a route to the Accredited Register.
5. The training provider offering a course(s) Quality Checked by the National Hypnotherapy Society is required to use the allocated Quality Checked logo on all of their advertising materials, certificates and on their website. They must do so by following the instructions for use below.
6. The training provider is required to turn the logo, when used online, into a hyperlink which links to the Society's home page.
7. The training provider can only use the allocated HS Quality Checked logo by clearly indicating the course which is Quality Checked by using the words "(course) is Quality Checked by the National Hypnotherapy Society." The training provider cannot use the logo in any way which gives the impression that (a) it is the training provider rather than the course which is Quality Checked or (b) that any other non HS recognised course is Quality Checked.
8. The training provider must only use the logo that is provided by the National Hypnotherapy Society and must not alter it in any way, shape or form.
9. The training provider must follow any instruction from the National Hypnotherapy Society, regarding updates to the logo.
10. The National Hypnotherapy Society will monitor the logo for proper use and reserve the right to query or withdraw the use of the logo by any training provider.
11. If Quality Checked status of the course(s) ceases between the training provider and the National Hypnotherapy Society then the logo must be removed from all website and promotional materials within 14 days of expiration of Quality Checked status.
12. By using the logo the training provider acknowledges that it is not *them* that has been Quality Checked by the National Hypnotherapy Society, it is the specific course(s) that are Quality Checked.
13. The training provider is not permitted to mislead anyone as to what the Quality Checked status means.
14. The training provider is not permitted to display the logo before receiving permission by the National Hypnotherapy Society to do so.
15. We reserve the right to request a removal of the logo from your website, if it has been deemed as being used inappropriately or not in accordance with these terms and conditions.

I hereby acknowledge and agree to abide by the National Hypnotherapy Society's terms and conditions. I also confirm that I am authorised to sign these terms and conditions on behalf of the training provider.
